## FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- (1) Defendant is wanted on a state court writ from Wyoming. He does not oppose the government's motion for detention in this case
- (2) He has been convicted of indecent liberties in state court, and is registered as a sex offender. This supports concerns that he would present a danger to others and the community, if released from federal and state custody.
- (3) Based upon the Indictment, the Grand Jury was satisfied, on evidence presented to them, that defendant provided both a false name and a false date of birth in applying for a passport. This supports concerns that he would be a flight risk, if released from federal and state custody.

## It is therefore ORDERED:

- (1) Defendant shall be detained pending trial and committed to the custody of the Attorney

  General for confinement in a corrections facility separate, to the extent practicable,

  from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) Defendant shall be afforded reasonable opportunity for private consultation with counsel;
- On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and
